Experience

Thinkful Product Design Training

Mar 2020 - Nov 2020

Learned industry and design process standards with a focus on UX research, visual design and front-end development.

Created and deployed projects while learning new tools and frameworks by collaborating bi-weekly with a senior designer.

Projects

Shlf Social Reading App

Nov 2020 · UX/UI Design, Branding

Designed a social reading app prototype that allows users to connect with peers while keeping track of their reading lists.

Relied on user research to design a modern brand identity and functional prototype with a fluid user experience.

canopy Cloud Storage App

Jun 2020 · UX/UI Design, Branding

Served as lead designer on a modern cloud storage app that offers intuitive organization and a sleek interface.

Utilized user research and testing to create an intuitive prototype and bold brand identity.
